
EACH YEAR ON THE eve of the annual Thanksgiving Day football game between Los Gatos and Campbell, The Press publishes the scores of the past encounters between the two rivals.

The series has been in existence since 1934 and this year's Turkey Day classic was the 35th meeting between the two schools.

Incidentally, the clobbering that the Bucs gave the Wildcats last Thursday set a new high scoring record.

Prior to the 53-14 trouncing that the 'Cats received, the highest score registered was in 1960 when the Bucs won 46-26. In 1967 Campbell won 45-12 and in 1954 the Bucs came out on top 44-12.

This year's game marked the first time that the score had soared to 50 or more points for the winner in the 35 years that the teams have been bringing heads together.

AS FAR AS SOME "BIG game" series with which we are familiar, the 35-year span of the Campbell-Los Gatos affair is relatively a short period of time.

But around these parts where new high schools during the last decade or so have been the rule rather than the exception, the Buc-Wildcat series is old enough to take priority over almost any of the other "traditional" Thanksgiving Day games.

And the interesting part of it is that actually the series could have been in existence many years before 1934, except that prior to that year Campbell High did not field a football team.

As one who finished his football playing days before the Los Gatos-Campbell series had even started, we have always been intrigued by the fact that the Bucs were not gridders for all those many years.

Instead of a mere 35 years, the series could have been going for twice that long.

But then we would have a tougher time of keeping the right scores than we do now.

-0-

SOME YEARS BACK when The Press first began running the scores of the past Campbell-Los Gatos games, the scores in the 1946 and 1947 battles were reversed through a typographical error that was not caught.

Our scoreboard showed that Campbell had won the 1946 tilt by 20-6 score when actually LG was the winner by that score.

And the 1947 score was also reversed. Campbell was the loser by a 20-12 score and not the winner.

Our scorecard, of course, fouled up the total wins and losses of the two schools.

We showed that Campbell had won 15 going into last week's game and that Los Gatos had won 18 with one tie. (0-0 in 1943)

Obviously we were gypping Los Gatos.

Each successive year we would merely pick up the previous year's scoreboard, reset it as it was printed, add the last year's score and go on from there.

Thus the error was compounded year by year.

But even the most ardent Buc rooter, without having his yearbook in front of him, after 20 years is sometime a little hazy over a score of any ballgame 20 years previously.

Anyway we think we have it straightened out now.

Last Thursday's game was the 35th annual meeting of the two schools.

Los Gatos has now won 20; Campbell has won 14 and there has been one tie.

We sincerely hope we don't get careless and pick up the same scorecard next year as we did this year.

You may win a few or lose a few, but for gosh sakes, keep it straight.

Bucs set scoring mark for Turkey Day classic

An overflow crowd attended the annual Thanksgiving Day football game between Campbell and Los Gatos high schools in which Campbell overpowered Los Gatos 53-14.

This marked the largest score ever made in the 35th annual meeting between the two teams. The victory gave Campbell undisputed possession of the West Valley League championship. It was the fourth consecutive win for the Bucs over Los Gatos. (The 'cats won last in 1964).

Gary Tomasso, Buc quarterback, set a fantastic passing record for the game, hitting 11 out of 12 for five TD's.

Campbell ended the season with a 9-0-1 record, a 14-14 tie with Lincoln in the season's opener is the only blot.

Close observers of the prep football scene maintain that Campbell High is the best football team in the Central Coast area. Very few will question that, especially after the Los Gatos game.

Planners defer action on loops

It was all sort of loopity-loop all the way and back again at the Planning Commission Monday night when that august seven-member body, after two hours of fruitless struggle, unanimously voted to defer any recommendation on the loop system for downtown Campbell until the next meeting, Dec. 16.

During those two hours, the commissioners, assisted by verbal blasts from members of the downtown committee present, scooted around the loop several times.

But they bogged down when they attempted to establish an objective or to reconcile the loop concept for moving traffic in downtown Campbell with $$$$.

At the Dec. 16 meeting, the commissioners indicated that they hoped the issue would be clarified. The city staff was requested to report on how the financing of the loop system could be undertaken, which was the main bone of contention at the Planning Commission meeting Monday.

In attendance at the meeting as interested observers were members of the Downtown Redevelopment Committee.

John Faber, chairman, reviewed the background pointing out that the committee was originally formed in 1961 to study the problem. He added that thousands of dollars had been spent in studies but now action was needed.

Most of the committee members, however, had left before the commission was ready to vote.

But it was Dick Bicker, owner of the Campbell Rock Shop, and a member of the downtown committee, who was largely responsible for killing a motion made by Commissioner Jack Healey and seconded by Commissioner Dale Scott. Healey's motion recommended the widening and improving Campbell Ave. to 80-feet from Winchester to Third St. ($200,000) but leaving the street at 60-feet (with no street parking) from Third to the railroad ($131,000). This total project would cost approximately $400,000.

Bicker vehemently took exception to the motion. Eliminating parking on the street would kill the street he claimed. He added also that most of the property owners would not be able to operate, if they had to dedicate front portions of their stores for parking.

He claimed that the loop system which had been approved by the city should be started now and that the planners should not concern themselves over the financing.

Scott and Healey maintained that they favored the loop system. But they felt that widening and improving Campbell Ave. at the $400,000 figure was the only practical way to start.

Bill Wren, public works director, and Art Kee, planning director, described in detail the costs for the various projects, including the ultimate of the two-loop system. It was estimated that the ultimate would cost $2 million.

Healey withdrew his motion before a vote could be taken on it.

All the commissioners took part in the animated discussion over the loop. Even City Manager Bob Stephens, who was in the audience, took the floor to clarify the financial side of the problem.

It was explained that unless bond money is used or other means of financing the projects are found, it would take three years for $400,000 to be available in gas tax money. And all other street improvements would have to wait. It is possible that financing methods can be found now, Stephens said.

Commissioner Ed Pack maintained that not enough information was available as to specify. Commissioner Thayer Lyons, on the other

City accepts Gomes Park Sunday

Novel program dedicates 'garden spot' on Alice Ave.

By Sally Howe

Ever hear of "wrapping" up a park?

Not only "wrapping" but GIFT-wrapping!

That is what is going to happen to the eighth-of-acre-park located at the corner of Winchester Blvd. and Alice Ave. this Sunday, Dec. 8.

The park by City Council action has been officially designated as the Joseph V. Gomes Park in honor of the late civic leader who died in 1964.

The biggest present ever gift-wrapped and presented to a city will be "boxed" and "tied". The efforts of local school children, and interested citizens will be combined to completely enclose the nearly 5000 square foot mini-park for a 2 p.m. dedication ceremony.

Beautification committee members this week through the efforts of International Paper Co. distributed 60 sheets of 7 x 10 feet corrugated paper to the 19 elementary schools in the Campbell district and to St. Lucy's

Students, in turn, immediately swung into action to decorate the panels as gigantic Christmas cards.

This Saturday morning, (Dec. 7), volunteer labor, under the direction of Bill Mc Namara, will "panel" the park with fruit trays, formerly used on the Hamilton Ave. Gomes ranch to dry apricots.

On Sunday, the volunteers will return and put up the student art work—and as of this writing—will "tie up" the park with a giant bow.

Mrs. Courtland (Jeanette) Watson, chairman of the beautification committee will act as master of ceremonies for Sunday's program, which will include a musical introduction by the Campbell High school mini-band, musical selections by Jim and Mark Harville, presentation of the colors by U.S.A.F. Sgt. E. Atkinson, pledge of allegiance by Ken Mantle, representing the CofC, and address of welcome by Don Hebard, parks and recreation commission chairman.

Guests will be introduced

GIANT GREETINGS--Fourth and fifth grade students of Mrs. Madeline Hale's classes at Dover School really got into the spirit of Christmas in making this giant greeting card. Theirs will be one of 60 holiday cards made by local school children to "wrap up" the newly named Joseph V. Gomes Park for the 2 p.m. dedication Sunday, Dec. 8.

Campbell, Moreland districts end ancient boundary problems

A school district boundary problem that was created almost 100 years ago when the Campbell and Moreland school districts were first established was recently resolved through the cooperative efforts of officials of both districts.

The Governing boards of the Campbell Union School (elementary) District and Moreland District recently joined forces in a cooperative effort to solve a seemingly insurmountable problem with unanimous agreement by the two five-member boards when they adjusted boundaries between the two elementary school districts.

The boundary problem was of long standing as it had existed since the formation of the two adjacent districts.

The difficulty had been magnified during the past two decades by increased enrollment of the districts and the addition of new streets and expressways in the area.

Students living north of San Tomas and Forest Hill Schools in the Campbell District were mostly legal residents of the Moreland District.

Parents of such students paid their taxes to Moreland, sent their children to Campbell schools, and voted in Moreland school elections.

A contrasting problem existed in the Lynhaven and Cypress areas where students attended schools in Moreland District to avoid crossing the busy San Tomas Expressway.

The problem had been discussed for many years without results, and the communication between the two school boards really began to bear fruit when the then board presidents Gene Riordan, of Moreland District, and "Bud" Armstrong of the Campbell District accompanied their administrators on a complete tour of the boundary lines during the 1967 Christmas vacation.

The two board leaders instructed their administrators to proceed with plans for correction at the earliest possible date.

Parent leaders from the various schools were support-

"Joseph V. Gomes Park" becomes first to bear person's name

In a unanimous and unprecedented action Campbell City Council last week voted to name the mini-park at Winchester and Alice for a long-time civic leader, Joseph V. Gomes, who died in 1964.

Gomes, whose daughter, Jeanette Watson, has been a driving force behind development of the park, was a native son who attended Campbell schools and graduated from Stanford University with a doctorate in law.

For 21 consecutive years he served on the high school district board of trustees and served on the city's first council from 1952-56, and in fact, had worked for the city's incorporation.

In naming the park after Gomes, the city fathers changed a "policy" which had named parks after streets, much as the school districts name schools.

Suggestion to name the park after Gomes was first made in an editorial in The Campbell Press. But it was also supported in many quarters by others who felt the present policy was too impersonal.

In addition to his law work, Gomes farmed his Hamilton Ave. ranch (just recently sold for development by his widow, Jennie) and served on the board of directors of Sunsweet Corp. and Cal Can (then Richmond Chase). Past president of Kiwanis, Gomes was also a member of St. Lucy's Church.

His survivors include Mrs. Gomes; daughters Mrs. Courtland (Jeanette) Watson, Mrs. Verle (June) Weitzel; and Joan Gomes, of Campbell; Mrs. Lee (Joyce) Lange, of Wash., Miss Jean Gomes, of Los Gatos; and son Jerry Gomes of the Campbell Fire Dept.

The park will be dedicated Dec. 8 at 2 p.m.

"Seniors" lose appeal but win zone change

Despite the pleas of members of the West Valley Senior Action Center, the City Council last week refused to overrule the Planning Commission and approved the building plans for two warehouses on Dillon Ave.

A large delegation of "seniors" (above when leaving) with Ed Rider, as spokesman (right), asked the Council to reject the building plans that had been submitted by Ed Williams for 80 Gilman and by Ed Briscoe for 186 Gilman. In an unusual action, the "seniors" had officially appealed the Planning Commission action which approved the building plans.

The "seniors" contended that, although the Dillon Ave. area is now zoned industrial which would allow the warehouses, both the City Council and the Planning Commission had approved future multiple-residential zoning for the area, as recommended in the 701 program.

Although the "seniors" lost their appeal they did gain a partial victory.

The City Council in a subsequent action, established an interim zoning for the Gilman-Dillon-Railway Ave. (between Campbell Ave. and Kennedy). This will allow a study to be made as to how the multipe-zoning can best be put in effect. It will operate as a "moratorium" on building plans that are submitted for the area.

This marks the second time a "moratorium" has been on the area. Four years ago such an action was taken by the City Council only to be removed when a vast majority of the residents of the area demanded

Thoughts from Vietnam

EDITOR'S NOTE: The following letter was received from Mrs. Jack Lucier, of 1321 Klamath Drive, San Jose.

In it she expressed her own viewpoints on the current controversies on education and she also enclosed a letter from her son, Gary in Vietnam.

"VOICE OF ONE - OUR SON U.S. NAVY"

I believe it's time your readers hear the viewpoints of one average American fighting serviceman in the U. S. Navy in "Danang", about Education and peoples rights, etc., in answer to many articles about the Black Panther demands to close San Jose State, etc.

Scholarships, education, sports and our freedom and heritage is a part of us all, and our way of life.

But where are we going and what is to become of any of us, if the voice of so few can dictate to our society and demand to close our public schools, threaten our police forces, teachers, professors and school personnel, as well as students?

This letter from our son, Gary, U.S.N., fighting in Danang might give a different viewpoint:

-0-

"Danang"
Nov. 21, 1968

"Dear Parents:

Well, since I have some time, I thought I would answer your many questions about my future. I've started this so many times, so I hope you can understand. First, my plans after I am released from the Navy.

I plan to enter a Jr. College. I have been taking correspondence courses in Business Law and Business Administration. I've also taken a few college entrance Exams to brush-up for "Time Tests". Since the service will offer me the GI Bill to help pay for my education, (all I have now is a High School Diploma) I am really thinking of applying myself for the future. Since everyone is pulling and trying to help me, I think it's time for me to start helping myself.

Dad, I think your biggest question was "Why did I sign up for Viet Nam; and why am I planning to extend for 6-8 months. Well, lets start at the beginning. What would I be doing now if I hadn't joined the Navy right out of High School.

Well, I might be wearing a beard, and beads, with sandals and carrying a protest sign like "Make Love" - "Not War" or "Kill Taxes not G.I..s".

Instead, I joined the Navy because I really didn't know what I wanted to be, and I felt I needed to grow up. Since I joined the Navy in June '67, I've seen Hong Kong, Japan, Hawaii, Guam, Formosa, Phillipines, and of course North and South Viet Nam.

I've seen the other side of life, that I'd never have seen if I had stayed home. I've met many people in these countries and have been welcomed in their homes.

So as you can see, it's all been most rewarding to me. I've learned many new languages, and eaten many foreign foods. If I had to do it all over again, believe me, it would be done the exact same way.

Now, about Viet Nam! Ask anyone in the states; 9/10 or 85% of the people don't know why we are here in Viet Nam. Ask the many guys that are on ships, why we are here, 65% don't know and could care less!!

When I was on the U.S.S. Zelima, (Dec. 67 thru April '68) I too didn't know why we were fighting. So I felt as long as I'm in the service, and I'm fighting for my Country, I felt I had better find out "darn" soon what I was fighting for!!

I'm happy because I know what I'm fighting for and so many service men don't. Now I'm thinking about extending for 6 to 8 months. That's because I've started a job here, and I want to be here when it's finished. If it takes longer than 8 months, I still have 1½ years to do before my service time of 4 years is finished.

My new job is great (started 11-19-68). I work with the civilians here in Danang. We pave roads all over Viet Nam. First we "blow up" hills to get rock. The rock we load onto barges, and send up stream. There they are unloaded, and taken to roads that have been washed out due to heavy rains. (Of course there is constant gunfire. Saw the New Jersey last week, she sure is big, glad she is on our side, those 16" guns are big!)

In closing I want to say that I hope you have a very Happy Thanksgiving, and hope you understand me a little better now and why I'm here.

Love your son Gary (20 yrs)

Mrs. Lucier added in a postscript to us: "The point I was trying to make is our son is overseas fighting a war and still taking time to study when students here have education offered to them and don't appreciate it.

"Our son is a graduate of Blackford High in June, 1967. Would like to have him receive The Campbell Press, if possible, as it has all the local news."...

So you see - our son and many many others are doing their country a service, and helping others, as well as themselves. Perhaps the thoughts he expresses might re-assure some of us, that education, and our way of life is worthwhile. But we would also like to know if our society, small towns and the folks at home, could be heard from, to re-assure our "Fighting Men".

After all they are doing a good job for us--We at home could surely recognize our responsibility to each other.

I realize this is a long article, but your kind attention would be appreciated, and we would like to share the words of our son's latest letter from Danang, and I would like my viewpoints and thoughts printed also.

Thank you,
Mrs. Jack Lucier

almost the beginning to the end and we know many of you have become bored to death with the pigskin parade, but there is one more football note we must make.

In the "Chowchilla News", the weekly newspaper of the town in which we grew up, we read where the varsity football coach of the high school, Jim Bailey, had been honored as "teacher of the week".

Chowchilla High happens to be our alma mater as well as our Dorothy's.

And Coach Bailey happens to be a Campbell High graduate.

He played on the 1960 Bucs football team that went undefeated and which, incidentally, clobbered Los Gatos 46-26, the scoring record prior to last week's game.

A teammate of Jim's on the varsity that year at Campbell High was Craig Morton, who later gained All-American honors at Cal and who is now playing professional ball with the Dallas Cowboys.

Both Craig and Jim had been carriers for The Press we pridefully point out.

-0-

THAT FOOTBALL spread that The Press has published for the past 12 years on the eve of the Thanksgiving Day game is a handy reference guide in checking out past gridiron players for Campbell High.

Jim Bailey, for example, appeared in both the 1959 and 1960 issues. (Incidentally, we noted that Jim, a center, somehow lost an inch of height between 1959-1960. He was listed as 5-8 and 184 pounds in 1960 and in 1959 as 5-9 and 169 pounds.

A cursory examination revealed that Craig Morton was one of the very few who appeared in three issues, as a sophomore, junior and senior.

In 1958, Craig was listed at 6-1 and 151 pounds; as a junior in 1959 apparently he had grown an inch to 6-2 and put on 20 pounds and in 1960 as a senior he was listed at 6-3 and 191 pounds.

The reason we are telling you all this is that we have a guilt complex.

We spent so darn much time looking through those past files, we just had to use the information we gathered, so our time wouldn't be a total loss.

-0-

HEADACHES OBVIously are common ailments.

Very few people we suppose are immune from them.

How universal headaches must be was illustrated recently when the "Headache -Bar Vendors Corp." of Missouri requested an ad be placed in The Press.

The firm apparently is seeking distributors for service routes for vending machines that disperse aspirin tablets, etc.

We suppose we shouldn't be surprised, for there seems to be a vending machine for almost everything.

Architects will have to take those machines into consideration when planning new buildings or there will be room for only the machines and not the people.

An aspirin vending machine in that case will really be needed.

-0-

EXCEPT FOR A FEW barbs that were thrown indiscriminately by a few misinformed people, the recent improvement of Campbell Ave. was done with a minimum amount of back-biting and knife-twisting.

There were some malcontents, of course, who had moaned for years because of the condition of the street and then moaned even harder because they were inconvenienced by the construction work.

But on the whole, the business on the street, the residents, city officials and contractor agreed that the project was efficiently conducted.

-0-

A NOTE OF APPRECIATION on that score was received recently by the City Council which we thought you also might appreciate:

"Gentlemen:

"We wish to extend our sincere appreciation to your Police Department for their sincere cooperation and assistance in controlling traffic on Campbell Ave., the lifeline of your fair city, during our paving operations.

"Without this cooperation, I am afraid we might have had several very unhappy merchants, residents and tourists.

"We also wish to express our appreciation to Mr. Ed. Finley who was the Project Inspector on this work and cooperated wholeheartedly with our crews during the prosecution of this project which undoubtedly was of great concern to the merchants on Campbell Ave.

Very Truly Yours,

by Mrs. Lawrence Tober. Presentation of the park will be by Mrs. Watson.

Dean Chamberlin, city councilman, will accept for the city.

A portion of the street will be blocked by local police to allow for any overflow during the program.

The tiny park, conceived by the beautification committee and Alice Ave. residents, jointly, was a "litter-filled weed patch" last May.

Donations from merchants interested businesses, Alice Ave. residents, school children and "just folks" followed a $150 donation by A & W Root Beer owner Floyd Little.

George Kikuchi, of Cambrian Nursery, designed a series of planting and walkway which was presented to the city and approved.

Then came the work!

For while money and materials were donated, the actual rototilling, leveling, and laying out, had to be done by Saturday morning volunteers. And volunteer they did—the Rotary Club, the Kiwanis, Interact, Key Club, and kids—kids from St. Lucy's, from Campbell elementary, from the high schools—some not big enough to do more than follow around their elders toting plants or sawdust or tools—each determined to make the project truly a community effort.

In another action, the City Council upheld a ruling of the Planning Commission which denied Harold E. Martin permission to operate a drive-through camera stand in the Kirkwood Plaza.

The City Council last week also approved the agreement submitted by the county which spells out the financial shares in the proposed pedestrian overpass at Rincon Ave.

The city would put up $25,000, the county, $50,000 and the elementary school district and the City of San Jose, $12,500 each under the terms of the agreement.

The Council, which met again in special session last night (Tuesday) after press time, approved the expenditure of $60,000 for new traffic signals at Campbell-Central; Latimer-Winchester and Central-Hamilton.

Mr. and Mrs. Paul Silver exchange wedding vows

MR. AND MRS. PAUL SILVER

The Brookdale Lodge wedding chapel was the setting recently when Becky Ann Bargelt became the bride of Paul Alan Silver. The Rev. Walter Boering performed the ceremony.

Becky, who was escorted down the aisle by her father, was radiant in a Victorian style gown designed by the bride with a sheer, tucked neckline, a high collar edged in lace and long full sheer sleeves with buttoned cuffs.

The empire waist and a short train was accented with an old fashioned cameo, a gift from the groom's family. A finger tip length sheer mantilla design veil accented with lace appliques completed her ensemble, and she carried a cascade of gardenias and stephanotis set on a background of green ferns.

The new Mrs. Silver is the daughter of Mr. and Mrs. Donald Bargelt, 1566 Stokes St. She is a graduate of the Campbell High School, class of 1965 and has been attending college prior to her marriage.

Mrs. Bargelt chose a green wool sheath dress for her daughter's wedding styled with long sleeves, topped with a cut velour jacket in shades of green and gold. A green orchid corsage completed her ensemble.

In the bridal party Miss Jeanne Bargelt served her sister as maid of honor and a second sister, Miss Paula Bargelt, carried out the bridesmaid role. They carried out the Victorian picture in full length green velvet gowns trimmed with lace and fashioned with old fashioned leg-o'-mutton sleeves. Nosegays of pompom mums in shades of gold, yellow and orange completed the ensembles.

The groom is the son of Mr. and Mrs. Louis Silver of Sharon, Mass. He is a graduate of the University of Chicago and holds a degree in paychology. He plans to go into social work in Sharon, Mass. where the young couple are making their first home.

Richard Silver, brother of the groom served as best man with Ken Kritch and Eric Van Young ushering. For the wedding Mrs. Silver accented her gray gown with silver accessories and a green orchid corsage.

Sixty guests gathered on the wedding balcony of the lodge where the newlyweds cut their three tiered cake decorated with yellow baby rosebuds before they left on an extended trip across the United States and into Eastern Canada before going to Massachusetts.

St. Lucy's men plan gala New Years Eve dance

A gala New Years Eve dance is in the making for the members of St. Lucy's Holy Name Society and their wives and friends.

The dance will be held at Kennelly Hall, according to Bill Podgorsek, chairman for the affair with "The Aggregation" dance band setting the scene. A champagne fountain will be the center of the potables and a buffet supper will be spread for eating throughout the evening. A limitation of 150 couples had been set by the dance committee, at $14 a couple. Reservations may be had by calling Sal Tripoli, 378-7703, Gerald Girouard, 379-5010 or 253-6847 or Ervin Pasternak, 378-4741.

Large parties may also book reservations at the above number. This is one of the more ambitious parties planned by the men of St. Lucy's, a joint venture with the Knights of Columbus, and the Bishop O'Dowd Council.

Christmas pot luck lunch Dec. 5

On Thursday, Dec. 5, members of St. Lucy's Altar Society will hold their annual Christmas potluck in Kennelly Hall at 12 o'clock.

At this time the children of St. Lucy's school will present the program.

Instead of the gifts usually presented to the convent at this time, members are asked to bring a gift, wrapped, and marked for either a man or woman. The gifts should be suitable for a patient in a rest home such as scented soap, talcum powder, hand or shaving lotion or other appropriate gifts.

BAZAAR AND RUMMAGE

Members of the San Jose Christian School Women's Club will hold their annual Christmas bazaar and rummage sale at the Orchard City Grange Hall, 109 N. First Street, on Friday, Dec. 6.

The bazaar will feature beautifully made stuffed toys and unique Christmas decorations, and better rummage will be offered at the same time.

Garden Club Christmas tea set for Dec. 11

Muriel Martin, nationally known flower arranger and craft teacher, will present a program of Christmas decoration ideas at the Dec. 11 Christmas tea meeting of the Campbell Garden Club.

The annual affair will be held in the Fireside room of the Congregational Church of Campbell, which will be appropriately decorated for the event. Mrs. Martin, in private life is Mrs. Robert F. Martin of Los Gatos.

Mrs. John Jackson, president, extended a cordial invitation to the public to attend, but asked that those who plan to attend please call members of the hospitality committee in order that they may be greeted by name, and also to be able to accommodate all who attend.

Tickets are also now available for the Santa Clara Valley District of California Garden Clubs annual "Parlor Parade" on Wed. Dec. 18. At this time, five homes of garden club members, beautifully decorated for the holidays, are open to the public, with the proceeds from the $1.50 donation going to further conservation, civic beautification and scholarship aims of the organization.

The Parlor Parade will be conducted from 10 a.m. to 4 p.m. with refreshments included. Mrs. Ward Brannon 241-5769 will handle the tickets for the Campbell Garden Club.

HAWAII TRIP

Mr. and Mrs. Troy Rampe are getting to be old hands at the business of winning trips to Hawaii. The Rampe's, owners of Kirkwood Hardware in the Kirkwood Plaza, are now enjoying the balmy breezes of Hawaii as the result of grossing the largest amount of Boysen Paint sold for the area, and as a result were treated to an all expenses paid trip for a week. Only this summer the Rampe's won a similar trip, from a drawing held at the hardware convention.

THANKSGIVING SURPRISE

Betty Benson, daughter of Mr. and Mrs. Lowell Benson of Benson's Campbell Cleaners, surprised her parents Thanksgiving by "dropping in" on them for an overnight visit. Betty, an airline stewardess for American Airlines, is based at Chicago, and on Thanksgiving day was on a flight that landed in Los Angeles. Having an overnight stay on her hands, she casually hopped a ride on the flight to San Jose, a mere 40 minutes away, and was home for a visit. Two weeks ago the flying Senior Benson's took off and spent a week visiting Betty in Chicago. While there they enjoyed a nip of snow flurries, but ended their visit with balmy weather.

hand, took exception to Pack's statement. He claimed that the matter had been hashed and rehashed so many times that it was time to act now rather than study it further.

All the commissioners, however, were in agreement on one point. They hoped that by Dec. 16 many of the points would be resolved.

Or else it would be loopity-to-loop again.

In another action, the commission denied on a 5-2 vote (Merrill Grim, and Kel Young dissenting) a zone change request for J.F. Saia at Burrows and Pollard Road.

The commission also approved modification of the P-D plans at Hamilton and Llewellyn submitted by Lowell Grattan and also approved the request of John Vierhus for a six-month extension on plans for a six-unit apartment at 911 Michael Drive.

CAMPBELLITES AWAY

Never say that Campbell residents are here to stay. Recently Mr. and Mrs. Michael Ray Vierra, both former Campbell high school graduates, were treated to a surprise visit from Mrs. Roy Bollinger. The Vierra's are now stationed at the Marine Base in Oahu. Mary Vierra is the daughter of Mr. and Mrs. Phillip Labrador, 1409 Maria Way. Mrs. Bollinger was in the islands to visit her son, Randy, another Campbell high school graduate who was enjoying a rest and recreation leave from Vietnam. And while there the Campbell group enjoyed a luau given by other former Campbellites, Mr. and Mrs. Adams who have made their home in the islands for 14 years.

CAMPBELL BEAUTY---Jane Wong, 17, of Campbell, will represent the San Jose metropolitan area in the regional Junior Miss Pageant at Salinas, Dec. 7. Jane, shown here with her mother, is the daughter of Mr. and Mrs. W.R. Wong of 494 Sunny Oaks Ave., Campbell, and is a senior at Campbell High. She won her area Junior Miss crown in a pageant last week at Frontier Village.

Miss Wong was elected governor of California at Girl's State in Sacramento this summer and went on to Washington, D.C. where she was elected to the post of Chief Justice of the Supreme Court at Girl's Nation.

FOR ENGLISH FRIENDS--Denise Benner, Linda Bryant and Betsy Blackman (l. to r.) proudly display a book that all the members of Girl Scout Troop 669 had a hand in making. The book, a story about Pocahontas and Capt. John Smith, with each page designed and illustrated by a troop member, will be sent as a gift to Queen Mary's Hospital in London, England, for use in their Pediatrics Department.

"CANDY" IS MISSING--Mr. and Mrs. Joe Alvarez, of 455 West Rincon, and their daughter Monica, miss their little white Lhasa miniature poodle. "Candy" disappeared from the yard of their home at 455 West Rincon avenue a week ago Wednesday about three, and Mrs. Alvarez thinks she must have followed one of the school children home. Candy is 2½ years old and has bad tonsils, so that every time she gets out in the cold, she gets sick. The Alvarez's, who have lived in Campbell for the last 18 years, are offering a reward for the return of their pet.

Hall appointed March of Dimes 1969 director

The 1969 March of Dimes for Santa Clara County will be directed by a volunteer from San Jose, Robert F. Hall, it was announced today by Donald R. Kennedy of Campbell, who was this year's volunteer director for the Campbell area.

Hall is a Saratoga resident. This will be the first time he has taken on a county-wide volunteer job, although he has been active in San Jose community work for several years, according to Kennedy.

The March of Dimes is a January fund drive which supports the year-round activities of The National Foundation, a health agency combating birth defects. Community directors will be appointed at a later date.

Additional information about The National Foundation-March of Dimes is available at the county office, 1183 Lincoln Ave., San Jose.

Campbell Corners

By Barbara Handel

We're the Champs hey, hey! We're Number 1, was the cheer heard from the Campbell rooting section last Thursday when the Bucs whomped the Wildcats 46-14. After winning this game, the Bucs have now become the WVAL CHAMPS for the second year in a row. During the last two years Campbell has won all their league games and has tied one non-league game. Seen at the game were many of the football players from last year.

After the game, the last football victory rally for the season was held outside of the Boys Gym. The band, song girls, cheerleaders, flag girls and pirettes performed. After the rally, the football players and the drum major were thrown in the pool.

Last Wednesday at the Big Game Rally, the homecoming queen and her court was announced. The four princesses are: Gayle Davis, escorted by Randy Minyard, Pat Labrador, escorted by Gary Fischer, Debbie Lewis, escorted by Dave Bicknell, and Barbara Ornellas, escorted by Bruce Puterbaugh.

The queen was Amee Van Dyne and her escort was Jerry Strong, Randy Fujishin, Student Body President, presented Amee with a dozen red roses. Dale Drummond, little sister of Cheerleader Dee Drummond, and Mike Labrador, nephew of cheerleader Nancy Labrador, served as the flower girl and crown carrier. The little couple followed the queen to her throne at the end of the gym.

The winners of the Turkey Trot were Paul Mederos, first, Jake Fitzpatrick, second and Doug Campbell, third.

The Frosh-Soph team also won their last game last Wednesday against Los Gatos.

Our first basketball game is a non-league game being held at Campbell this Friday at 7 in the Boys Gym.

The Language Federation is having their annual toy drive. Anyone having any toys which they have no use for are asked to bring them to the school and deposit them in the toy bins provided.

Starting next week, Girls Sports will be having their Candy Sale. Boxes of candy will be on sale from any Girls Sports member.

Applications for the spring Student Council are now available in Room 35.

Any Junior wishing to apply for Councilman or Assistant Student Manager must have their petitions in by Friday, Dec. 6.

Westmont Wails

By Keith Hohlfedlt

Thanksgiving Day was a real festive, joyous day for everyone at Westmont. The Warrior's had beef for Thanksgiving when they wiped the Leigh Longhorns last Thursday with a score of 21-7. Two touchdowns were made by Butch Hart when he intercepted a Longhorn pass and when he recovered a fumble. The other touchdown and safety were scored through superb playing on behalf of the entire team. In fact, the whole game was played outstandingly by the entire team.

At every touchdown the Westmont crowd went wild, jumping up and down hugging each other, cheering and screaming. It was the greatest display of spirit Westmont has had for a long time.

After the game, students from the stands ran down to the field and carried (with the help of the gridmen) Coach Morgan on their shoulders while they congratulated every member of the team. Almost everyone on the Westmont side stayed for the hymn.

This was the first game Westmont has won in two years. It was a glorious day for all of Westmont.

The football queen was also crowned at the Homecoming Dance last Wednesday night. The queen is Sharon Hanson, flag girl. Her princesses were Marigrace Convertino, song girl, and Carlene Perry, fashion model.

After many hard weeks of scrounging, scrimping and saving, the winner of the big paperdrive was announced last Wednesday. The Freshmen were last, Sophomores third Juniors second with some 70,000 pounds of papers, and the Seniors first with some 73,000 pounds of papers. A total of about 160,000 pounds was collected by all of the classes.

The seniors will receive $100 for grabbing first place. Plus, they will receive 50% of one-third of the total money received by the total of all papers collected. The juniors will receive 30% and the rest will go to the Sophomores and Freshmen.

Two thirds of the total earnings from all of the papers collected will go to the student body fund.

Prospect Pulse

By Pat Hebard

Spirit Week was the sum of all the competition of classes throughout the football season Monday saw the beginning of the white shirt drive. Its purpose was to see which class could bring in the most white shirts to be worn at games in the cheering section. Also Monday was the beginning of the Slave Auction. The Cheerleaders, Song Girls, and Drill Team were auctioned off during lunch. Each class combined their money to see who could buy the most slaves. Senior Peggy Howard was sold for $45 to the sophomore class.

Tuesday brought with it the decorations of class halls. The decorating began before school and had to stop at the 8:00 bell.

The classes were then judged on originality, etc. Then the classes had to clean it all up after school. Wednesday was the last day for the auctions and for bringing in white shirts. A rally was held at the end of the day for further competition. Elaborate decorations from all the classes and fantastic spirit was displayed throughout the rally which lasted until almost 3.

Thursday was the big game with Branham on the Bruin field. A car rally to the game helped bring out the spirit that was shown at the rally the day before.

At the game the Thanksgiving Queen was crowned along with her court. Senior Peggy Smith was crowned as the Queen with her escort Tom Sinclair, while Sue Shoemaker with escort Ross Meinhold and Jill Ebner with escort Chris Thayer were the princesses. The Queen was crowned by Student Body President Phil Seal.

The Branham Band hosted a breakfast for the Panther Marching Band before the game last Thursday. This gave the students a chance to meet one another and exchange ideas. For pregame the two bands marched as one and played the Star Spangled Banner.

After the game a spirit rally was held for the football team to show that the students still supported them even after losing. The team played a rough game and did a fine job. The Student Body of Prospect owes thanks to Coach Earl Adams and Coach Johnson for doing such a great job with the team.

Camden Chatter

By Diane Carman

Camden reigned superior over Del Mar for the annual Homecoming Game, when the Cougars walloped the Dons, 19-0.

The first touchdown came when quarter back, Jim Holmes, fired a six-yard pass to wing back Ted Sholton, just before halftime.

During the third quarter, tail back Wayne Atchison made his move igniting the second scoring drive, enabling Holmes to slap a quick four-yard pass to Shelton for the second touchdown.

The final score came midway through the fourth quarter, after Atchison carried the ball three times for 24 yards, and Holmes sneaked through from the one yard line.

Crucial members of Camden defense were Lou Franson and Fred Isaia, both seniors. Del Mar could get no more than 173 yards in total offense, because of their two players.

Starting seniors playing their last Camden game were: Jim Holmes, Fred Isaia, Lou Franson, Mike Feasby, Chuck Wilkie, Gary Murakami, Wayne Atchison, John Stewart, Doug Milbourn, Steve Brewer and Mark Garret.

Crowning of the Homecoming Queen and her Court, was the key excitement for a rally on Nov. 27, also the halftime intermission at the game the next day.

Queen Barbara Roberts, a senior, was chosen by the football team to represent them for 1968. Barb was November's Senior-of-the-month, is head songgirl and was voted Best Looking Girl by the senior class.

Princess Toni Clementi, also crowned on Thanksgiving, is a former songgirl and voted Best Dressed Senior Girl.

Princess Elizabeth Walker, has been Sophomore secretary, junior vice-president, a member of C.S.F., and is now, along with Barb, a songgirl.

Camden High School Varsity Basketball Team faces its first opponent, the alumni, on Dec. 6, at 8:30 in the Camden gym.

Students and faculty are both looking forward to this game, which promises to attract a capacity crowd.

Schools battle on Thanksgiving

Although the Campbell-Los Gatos annual Thanksgiving Day grid battle (Campbell won this year 53-14) was a tradition before the other schools in the West Valley League even existed, rivalry is being built up in the other league games that now also take place on Thanksgiving Day each year.

These include:

Prospect High in the first "traditional" Thanksgiving Day football game lost 21-7 to Branham, after a scoreless first half.

Camden High surprised a capacity homecoming day crowd on Thanksgiving Day and defeated Del Mar 19-0, marking the second straight year the Cougars have turned on the Dons, their traditional Turkey Day foes. Camden now leads 8-2 over the Dons in the classic.

Westmont High ended the season on a happy note on Thanksgiving Day by defeating Leigh High 21-7 in a real upset. Westmont had lost 18 straight games and came from behind to win this one. Leigh led at half time 7-0.

TUITION GOES UP

The Board of Trustees of the University of Santa Clara has voted to increase tuition for the academic year, 1969-70, by $105 per student.

The raise was necessitated by the spiraling costs of education, according to a report the trustees heard from the Very Rev. Thomas D. Terry, S.J., president of the university. It will put tuition next year at $1725 annually.

Saratoga High defeated Blackford 25-0 on Thanksgiving Day to end the season with a 9-1 record and second place in the West Valley League. The Falcons only loss was to Campbell in the season.

PTA NEWS

CAMPBELL HIGH

From Dec. 9 through Dec. 13, The Campbell High School P.T.A., under the supervision of El Paradiso P.T.A., will be collecting non-perishable or canned goods to be donated during that period by Campbell High School students. Students are asked to bring the canned goods to the Activities Office, Rm. 35. The food will be added to Christmas baskets and distributed to families in the district area.

Needy families in the Campbell area who would like to receive the P.T.A. Christmas baskets may sign up at the Campbell Police Station, at 75 N. Central Ave. on Dec. 3, 4, or 5 between the hours of 9 a.m. and 3:30 p.m.

CASTLEMONT SCHOOL

The PTA is sponsoring a puppet show for children on Saturday, Dec. 7 at 11 a.m. in the school cafeteria. The show is being presented by the Valley Puppeteers, a San Jose Branch of the American Association of University Women, who will do their presentation of "Hansel and Gretel". This should be fun for the entire family.

The families of the community are looking forward to Castlemont's annual Christmas program which will be held in the cafeteria on Dec. 19 at 7:30 p.m. The program this year will involve children in the second and fourth grades and music from the fifth and sixth grade chorus. Fifth grade mothers will progive refreshments after the program.

On Friday morning, Dec. 20, all of the children in school will have an opportunity to see the Christmas program during the Christmas assembly. Classroom parties are planned for that Friday afternoon before the holidays begin.

Castlemont's Nov. 12 PTA meeting was focused on parent-teacher communication. Since this is the time of fall parent-teacher conferences, it was felt that a program which would point out better means of communication between parents and teachers would be beneficial.

Young Set pre-nursery school opens doors

Mrs. Alena Willcoxen, director of the Young Set preschool nursery which will open its doors this week at 2211 Shamrock Drive in Campbell, announced that her new school would offer children of Santa Clara valley a new program.

"Our program is designed to help erase childhood fears, to build self-control and confidence and to encourage a child's living capacity without emotional stress", according to Mrs. Willcoxen, the former Alene Ciraulo, a Campbell elementary school and Campbell High School graduate.

Mrs. Willcoxen continued her education at San Jose State teachers college and taught in the San Jose City school for 13 years while gradually building a concept for a nursery school that would also offer a special program for minor neurologically handicapped children.

The new school will be designed to help the children who have been screened by the doctors and the educational facilities as needing help in overcoming neurological problems that tag them as "slow learners".

Dr. Robert M. Wold is associated with the school as professional consultant. The school will be open to children aged two years, nine months to seven years.

The beautiful new building is completely child-oriented and is a modern, air-conditioned building. Only 60 children will be enrolled in the opening program, but 80 can be handled in the future, with a limitation of 10 children per instructor.

Narcotic panel talk open Dec 11

A narcotics information program for parents is planned by the Campbell Elementary Home and School club for Dec. 11. At this time John Morgan, Campbell chief of police; John Butler, sergeant of juvenile division; Bob Turk, vice-principal and Jim Bryan, counselor, will discuss the current grave narcotic problem now being faced by parents in the Campbell area.

It was pointed out that only last month several children from the lower grade levels were involved in drug abuse usage. It was felt by the home and school club members and the school officials, that a panel discussion on the situation at this time would better inform the parents of the elementary school level of the problem.

Parents from the Hazelwood, Rosemary, Hamilton and Campbell school areas are especially invited. A question and answer period will be held following the panel presentation.

The session will be held in the Campbell school multi-purpose room starting at 7:30.

Campbell passengers, stewardess aboard first Salem jet service

Miss Jonelle Ekstrom, daughter of Mr. and Mrs. Jack Ekstrom of 835 Sweetbriar Dr., and a stewardess for the United Airlines, was presented with a cake recently as the stewardess on the United's first Boeing 737 jet airliner making the flight into Salem, Oregon. The cake was presented at the McNary Field by Edward Lambert, manager of the United Air Lines at McNary Field.

Jonelle, a Camden High School graduate, has been with the airlines as a stewardess for six months. She is presently based in San Francisco and was able to be home for the Thanksgiving holidays.

As a coincidence, the first passengers aboard the plane were Mr. and Mrs. Thomas Wendel, of Campbell, who were returning home from Salem after attending the funeral of Mrs. Wendel's mother, Mrs. Faye Alexander.

JONELLE EKSTROM

Mrs. Wendel recalls that the plane interior was very lovely in gold and white and she enjoyed a pleasant trip home. They were served pieces of the commemorating cake by the stewardess, including Miss Ekstrom.

ON CAPITOL HILL

with "Charlie" Gubser

Sometime in January a new edition of a perennial "best seller", the new CONGRESSIONAL DIRECTORY, will start tumbling off the presses of the Government Printing Office in Washington, D.C. Actually it is one of the world's most useful books.

The CONGRESSIONAL DIRECTORY sells for $5 in the thumb-index edition and $3.50 in the regular edition. It has been constantly published since 1803 during the 8th Congress when it began as a private venture. Now the annual press run is 80,000 copies of 1,001 pages each.

In the current directory the first and longest section of 193 pages contains information about Congress, the biographies of its members, and the makeup of its committees. Browsing in this section one can find that Representative William R. Anderson (D Tenn.) skippered the nuclear submarine NAUTILUS when it voyaged underneath the Arctic icecap to the North Pole and that Representative Ben Reifel (R-S.D.) is part Sioux Indian. Other biographies range from lengthy and self-serving dissertations to a simple one line for the senior Senator from Maine which reads, "Margaret Chase Smith, Republican".

The remainder of the book is a wealth of information for anyone dealing with the government. The Executive Branches and their top administrators are listed. There are also interesting facts which delve deep into U.S. and congressional history. Page 353, for example, summarizes each occasion when the Senate sat as a court of impeachment. Elsewhere is a listing of every special Senate session, regular session dates, Senate and House leaders since 1789, district-by-district voting results in the three most recent congressional elections, and the governor of each state, his political party, term and salary. (Nelson Rockefeller receives the highest gubernatorial salary ($50,000) while his brother Winthrop, Governor of Arkansas, and the Governor of South Dakota share the dubious distinction of being the lowest paid ($10,000).)

The DIRECTORY has a map of every congressional district, lists members of the diplomatic community, and the Peace Corps. It contains sections on international agencies ranging from the UN to the Inter-American Tropical Tuna Association, Cabinet members, Supreme Court Justices and the Resident Commissioner of Puerto Rico.

There is nothing so old and useless as last year's edition. For example, the DIRECTORY for the First Session of the last Congress contained biographies of ninety new members. The newly formed Transportation Department rated only a half page. But by the time the Second Session edition was issued in January of 1968, Transportation had graduated to a full fledged Washington bureau and consumed nine full pages of type.

Those interested in ordering the new CONGRESSIONAL DIRECTORY may correspond directly with the Government Printing Office, Washington, D.C., enclosing a check or money order covering the edition desired. The book won't prove as exciting as some fictional "best sellers", but if one is concerned with the Federal Government, it will prove more useful.

ive of the change, and they played a major role in keeping parents informed.

The administrative study indicated that some 10 areas of the two districts with an assessed valuation of more that $3,000,000 should change from district to district.

Both school boards gave unanimous approval to the change. The next step was to obtain approval of the Santa Clara County Committee on School District Organization.

Final approval was given to the change by a unanimous vote of the Santa Clara County Board of Supervisors last month.

The effective date of the change is July 1, 1969. Subsequent to that date taxes will be paid to the appropriate district where students attend school. Parents will be able to vote in the proper district for school board members and school finance elections.

Administrators have worked out an agreement whereby students currently enrolled will continue to attend the school within their home area.

PUBLIC HEARING HELD BY THE PLANNING COMMISSION ON OCTOBER 21, 1968.

POLICE SEMINAR--The music room at the Campbell High school was packed recently when 150 persons turned out for the community seminar class conducted by the Campbell Police Dept. Included in the audience were 23 officials from Los Gatos, including the police chief and city council, a Fairfield police lieutenant and a county sheriff's representative. Because of the large attendance which includes a session as a patrol car passenger, John Morgan, Campbell police chief, announced that the class cannot be offered again until Feb. 11.

Campbell phone users to get toll-free break to Sunnyvale

Residents in the Campbell telephone exchange will be able to call Sunnyvale toll-free by at least 1971, according to Jerry Arca, local phone manager.

"As a result of the California Public Utilities commission decision on our request for increased rates," explained Arca, "Sunnyvale will soon be within the Campbell local calling area and vice versa. This will eliminate an inequity which presently allows San Jose Exchange customers to call Sunnyvale toll-free but costs Campbell Exchange customers two message units."

The company will know exactly when this will go into effect by February 28, 1969. At that time, according to the PUC decision, a written program of new toll rates must be submitted before the commission.

The PUC decision also established new monthly rates for Campbell subscribers. The new residential rates, effective December 2, 1968, will be:

One-party line $4.65 (up from $3.90).

Two-party line $3.75 (from $3.20).

Two-party message rate (60 local calls monthly) $2.75 (from $2.45).

A low-cost measured rate service, for special applications such as low-income and pensioner subscribers will be introduced, costing $2.25 for 30 message units and $3.00 for 60 message units – but won't be effective until a later time to be announced.

Residential telephone installations are slated to increase from $8.50 to $10.00, with $5.00 charged for each extension.

AIRMAN STEWART

Airman First Class Ralph T. Stewart, son of Mr. and Mrs. John R. Stewart of 1097 E. Ridgeley Dr., Campbell, has been graduated at Keesler AFB, Miss., from the training course for U.S. Air Force radio operators.

Airman Stewart is being assigned to an Air Force Support unit in Turkey.

The airman is a 1967 graduate of Del Mar High School.

Office burglar hits Campbell over weekend

The office equipment burglar struck again in Campbell over the weekend. A business establishment and a school lost office equipment, and another business lost carpeting valued at $1,645.

Another serious loss was suffered by the Campbell High School R.O.T.C. unit over the Thanksgiving Day holidays. During the weekend the sheet metal one story building located on the grounds of the school was pried open and the gun safe holding six 45 caliber pistols and magazines were dragged from the building. The loss was valued at $891.70. The FBI has been called into the case.

Dicks Automotive, 950 Mc Glincey Lane, was almost put out of business before it got a good start when thieves removed equipment and tools valued at $1500, including the tune-up equipment, according to Robert Illingworth, owner.

The same prying technique was used on the sliding door of the Martin Plumbing Company building at 1049 Dell Ave. and business machines valued at $1875 were removed. Included in the haul were IBM typewriters, a calculator, adding machine, portable TV and a water softener kit.

The same thieves could have possibly been responsible for the loss suffered at the San Tomas School, 1100 Hacienda A window was pried off and office equipment including an adding machine, typewriter and portable radio were removed.

A loss was also reported by the Bay Area Carpet Cleaners, 261 Railway Ave., who found a door pried open and $1,645 in rolls of carpets, carpet tools and even the inventory list, removed sometime during the past two weeks.

KIWANIS MEET

Kiwanians enjoyed a musical program this week at their regular Tuesday meeting when the Prospect High a capella choir presented several selections under the direction of Larry McCommas. January 9 has been scheduled for installation of officers at the Los Gatos Elks Club.

REAPPOINTED--Frank R. Kukuk, of 236 N. 3rd St., and a long-time official of the Campbell Water Co., has been reappointed to the Parks and Recreation Commission for a new four-year term by the City Council, Kukuk, active in civic affairs, is also president-elect of the Campbell Kiwanis Club.

Tax collector issues reminder

Property owners in this County who have not received a tax bill this year should contact the County Tax Collector immediately to avoid a penalty for late payment.

The first installment on the tax bill becomes delinquent after Dec. 10.

L.E. Engeman, assistant director of finance, reported, "Many taxpayers have not received their bills because their mailing addresses were not on file with our office or because the bills were returned undelivered by the Post Office".

"To obtain a tax bill an owner needs the legal or deed description of the property," he explained. "With this information taxpayer may call 299-2241, or write to the Tax Collector, 10 W. Hedding St., San Jose, Calif., 95114, or visit Room 107, County Administration Building, and obtain a tax bill."

Engeman warned that an owner is not excused from paying taxes because he did not receive a bill and failed to request one.

He also commented, "The Tax Collector's Office has many people paying their taxes in person. To avoid waiting in line and to save yourself transportation expense, mail your payment to the Tax Collector."
